## ♪ A Note from the Pastor

***[Jesus said] But now I am going to him who sent me; yet none of you asks me, 'Where are you going?' But because I have said these things to you, sorrow has filled your hearts. Nevertheless I tell you the truth: it is to your advantage that I go away, for if I do not go away, the Advocate will not come to you; but if I go, I will send him to you. ~ John 16: 5-7***

This week we celebrate the Ascension. Ascension Thursday, sometimes known as “Holy Thursday” is the 40th day of Easter (39 days after Easter Sunday). We will mark it on Sunday, but John Wesley thought it important to celebrate in church—one out of only three weekdays to be celebrated in a church service. The other two are Good Friday and Christmas, but we at Wesley Bakersfield have mid-week services on Ash Wednesday, Good Friday and Christmas Eve.

According to John’s Gospel, the Risen Christ spent quite a bit of time physically being with the disciples during those 40 days between that first Easter morning and the day of his ascension. My guess is those disciples expected him to stay with them for the rest of their lives. But Jesus said he would send the world the Spirit of Truth to teach them (and us!) about truth even when the time came that the disciples were scattered and could no longer meet together. But we have assurance that wherever two or three are gathered in his name, Jesus will be with us.

May 23 is Pentecost, the day we fully celebrate the gift of the Holy Spirit. If you come to worship in person that day, please wear red. I will be on vacation the day after Pentecost until June 8. I will not be leaving town, but my youngest granddaughter will be spending two weeks with me so we will be taking day trips and won’t be around much. She would like to experience youth group, so I will not cancel that even though I will be officially on vacation.

In the last issue of *The Outlook*, I asked for two volunteers to complete the tech team roster, a person to chair the finance committee in 2022, and a Spanish interpreter. I have received one answer—I have someone who would like to share the job of Spanish interpreter, so I invite someone to step up and help with that job. And now I also need someone who will assist me at our youth group gathering on Friday afternoons during July. (We meet at the parsonage.) Cindy Lawler, pastor at St. Mark’s UMC is assisting through May, but she is having surgery the first week of June, so she will be on disability leave for two months. Safe Gathering (formerly called Safe Sanctuary) guidelines say that there must be at least two adults present when meeting with young people. I will continue to lead the youth group, and I have volunteers to help me through June, but I need volunteers in July. When one joins the church, one promises to support the church with our prayers, presence, gifts, service and witness. I am asking members to fulfill these promises. Please! I need your help. Which of these jobs is God calling you help with? Please pray on it.

Pastor Anne
