## The Pumpkins Are Coming Sunday, October 10, 2021

On Sunday, October 10, 2021, the pumpkins are scheduled to arrive at noon. We will need your help to unload pumpkins and set up the patch. We will request that everyone wear masks and we will have plenty of hand sanitizer available. We most likely will not be able to socially distance at that time but will explore possibilities of ways to make it safer. Initially, we will reduce our hours of operation and make adjustments as needed. Monday-Friday, 3PM-9 PM. Saturday 9 AM-9 PM, and Sunday 12 Noon-9 PM.

We will not be having a Community Fun Day with a bake sale this time around. However, our bakery items are so much in demand that we ask that you donate them throughout the time of the patch and we will have them available for sale at the pumpkin check out area. We are exploring ways to still distribute coats, so donations are still being accepted. We are not sure about story time for the children at this time, but will keep you updated. The Adopt-A-Pumpkin Tree will be making an appearance in the lobby in the near future. Further details and updates will follow as the situation changes and more information is obtained.

Thank you for your continued support, prayers, and reflections of God's love through the Pumpkin Patch ministry. Call or text me anytime at 699-6625, to find out ways to help or email me at [cgarmpa@aol.com](mailto:cgarmpa@aol.com) God's love abounds!  
—Blessings, Carolyn

## ♪ A Note from the Pastor

***No evil will happen to you; no disease will come close to your tent. Because [God] will order messengers to help you, to protect you wherever you go. They will carry you with their own hands so you don't bruise your foot on a stone.—Psalm 91:10-12***

I will be taking two weeks of vacation from September 13 through 26. I will be spending two weeks with my daughter Sunshine and her family at her time share in Cancún. I am so looking forward to some time by the sea! I promise to pray for you when I wake and as I prepare for bed, but I plan to goof off the rest of the day. One of the days we will be on an excursion that includes swimming with sharks! (I have been assured they are whale sharks and not at all dangerous to humans, but they are the largest extant fish species, so it will no doubt be exciting.)

However, you will be well cared for. Rev. Alice Oberg will preach for you both Sundays I am away, and Pastor Falamao Samate will be available for all pastoral emergencies. The number at Tehachapi Valley UMC is (661) 822-1440, and Pastor Falamao's cell phone number is (661) 749-4654. For those of you who receive a copy of the weekly worship script, I will send three out this week. You won't receive a copy of the sermons, because I won't have copies—they aren't written yet! The scripts may change slightly because Pastor Alice has complete authority to make changes, but they will be close, and you will have an idea of the worship service.

In other news, You already know we are again preparing for the Pumpkin Patch. Pumpkins will arrive after worship on October 10. I may have mentioned that I was supposed to be away for Academy for Spiritual Formation in October, but that has been cancelled due to the COVID spike. Also, we have received the date of our Fall Charge Conference from our District Superintendent David Niu. It will again be a charge Conference rather than an all-church conference because of the continuing COVID threat, and it will occur on December 1. Please stay well and notice God's blessings all around you.

In Christ's love,  
Pastor Anne
